OUR BEERS

IPA

India Pale Ale / ABV 5.6% Golden amber in colour, medium bodied, moderate bitterness, balanced with the slight sweetness of a complex malt bill. Traditional in style, more subtly hopped than the American varieties, a combination of citrus and floral aroma with a hint of spice and an underlying fruitiness from the Willamette. Smooth easy drinking. **48 IBU's Malts: Pale, Crystal, Cara Hops: Willamette, Challenger, & Cascade**

PALE ALE

American Style Pale Ale / ABV 4.8% Brewed to the American style, this pale ale has a medium caramel-malt sweetness and body, but the bitterness is kept low so not to overload the palate. This allows greater appreciation of floral, citrus fruit flavours and aroma from generous late hopping. A very sessionable beer. **44 IBUs Malts: Pale, Rye, Medium Crystal. Hops: Citra, Motueka, & Simcoe**

MARZEN

HAZY IPA

Hazy India Pale Ale / ABV 5.8% A full-bodied light and hazy beer with big grapefruit and pineapple aroma. Moderately malted with the assistance of generous additions of flaked wheat, barley and oats. Amarillo and Nectarone hops added during fermentation produce the citrusy aroma and gives plenty of mouthfeel with a long dry finish. **40 IBU's Malts: Pale, Vienna, Munich, Rolled Wheat, Barley & Oats Hops: Amarillo, Nectarone**

CHOC OAT STOUT

Double Choc Oat Stout / ABV 7.3% A traditionally styled Oatmeal stout, dark and full bodied. Dark chocolate, caramel and coffee flavours balanced by moderate bitterness give a smooth creamy enjoyable experience. **35 IBU's Malts: Pale, Crystal, Aroma, Choc Malt Hops: EKG, Fuggles**

DOUBLE RED

Double Red Ale / ABV 7.0% A deep copper/reddish-brown colour with a full caramel-crystal malt and rye malt, giving this beer plenty of character. The alcohol esters compliment the aroma hops to produce a back ground of ripe stone fruits and floral citrus notes. As it warms toffee and caramel notes can be detected, this beer just keeps on giving. **62 IBU's Malts: Pale, Medium Crystal, Rye Hops: Centennial, Citra, Moutere**
